#### Cooperative opens election window and hosts 85<sup>th</sup> annual meeting

**Branson, Missouri** – White River Valley Electric Cooperative (WRVEC) to virtually host its 85th Annual Meeting on Friday, August 23, 2024. The meeting is live-streamed at [WhiteRiverMeeting.com](https://www.whiterivermeeting.com) that morning at 10 a.m. Members are encouraged to tune-in virtually. The Cooperative provides a call-in option for those who do not use or have access to the Internet.

The voting window is open now through August 26. Members cast their ballots for board candidates during this time; there are six candidates running for three open board seats in Taney, Christian, and Douglas counties. Members vote on all three candidates no matter the district they live in.

Members are required to verify their unique membership account number and PIN found on their monthly invoice to participate in the election. The Association of Missouri Electric Cooperatives, a third-party, securely handles the election. They tally all votes and deliver the results live during the virtual meeting.

Voting options are available to accommodate everyone. WRVEC members cast their votes online or request paper ballots to be mailed directly to homes and businesses in a pre-addressed, postage-paid return envelope. Wi-Fi hot spots are available in each WRVEC office parking lot.
