## **Local Teachers Receive \$75,000 in Grants from Local Electric Cooperative**

**Branson, Missouri** – The White River Valley Electric Trust Board proudly awards \$75,000 to 23 local schools in Christian, Douglas, Ozark, Stone, and Taney counties. Teachers located at schools within White River Valley Electric Cooperative’s five-county service area were eligible to apply for monies through Power Up -- the organization’s annual educational grant program.

The \$75,000 awarded in Power Up grants will enhance the education of area students by providing teachers funds to purchase additional resources for their classrooms. Applicants submitted proposals to promote higher learning and meet school standards. Teachers submitted a plan with an itemized list of supplies and a letter of project approval from their respective school district’s administrative office. 134 out of 190 applications were approved.

“It is always exciting to see how these awarded projects energize students’ learning,” said Cassie Cunningham, WRVEC Vice President/Chief Growth Officer. “It would not be possible without the generosity of White River Valley Electric Cooperative members who round up their monthly bills through Operation Round up that provide these enhanced opportunities to area schools.”

Power Up educational grants are funded through Operation Round Up – the Trust’s primary funding source for community-centric aid. Funds come from cooperative members who allow their bills to be rounded-up to the next dollar. Nearly \$5.3 million has been contributed to the

community since Operation Round Up's inception in 1992.

The following schools employ the 2025-26 grant recipients:

Ava, Blue Eye, Bradleyville, Branson, Chadwick, Forsyth, Gainesville, Galena, Hollister, Kirbyville, Legacy Academy, Lutie, Mark Twain, Nixa, Ozark, Plainview, Reeds Spring, Skyline, Sparta, Spokane, Table Rock Career Center, Taneyville, and Thornfield.
